

It is important that the homeowner clearly understands the following information. Please read and sign below:

1. ER Ministries is a non-profit home repair Ministries that uses youth and adult volunteers to work with homeowners to make needed home repairs. The work performed and the materials used will be at no cost to the homeowner (unless prior arrangements have been made), now or at any time in the future. ER Ministries does not put any liens on the home in exchange for the repair work.
2. The repairs are being done as an act of love for God and for the homeowner. It is the ultimate goal of ER Ministries to glorify God through Jesus Christ in all that we do.
3. The volunteers are not professionals, but will be supervised by professionals and experienced carpenters while doing the repair work. They receive no pay for their time. **The repairs are not guaranteed.** However, ER Ministries will do everything possible to ensure that the work is done properly.
4. ER Ministries expects the homeowner(s) and others living in the home will be as involved as possible with the home repair work at the home. We also encourage the residents of each home to volunteer to help at the ER Ministries facility with the daily activities.
5. ER Ministries does not always do all the repairs that may be needed at a home. ER Ministries may not be able to accomplish all the repairs that have been determined by ER Ministries as needed before the end of the summer session. ER Ministries will always try to complete any work started, but the completion of all work is dependent upon the availability and skill level of volunteers. Unfinished work will be the responsibility of the homeowner.
6. The homeowner releases ER Ministries, its staff and volunteers from any liability for personal injury to anyone on the property, property damage or poor workmanship.
7. The repairs ER Ministries hopes to complete on the homeowner's residence will be explained to the homeowner prior to beginning the home repair work, though ER Ministries is in no way obligated or promising to do those repairs that are discussed.

I, the homeowner, understand and agree to the above statements.
